Tubbs Made Special Tanned, Guaranteed, Raw Hide Shoes.

Walter F. Tubbs has made changes in his shoe-shed factory. It has become necessary to enlarge, and about one-third of the main building has been partitioned off and is occupied by "the fillers." They weave the raw hide with the bows and draw it in taut so there is no sagging or bagging.

Four men are filling. One smart cutter can furnish them with raw hide. There is room enough for another cutter and four more fillers and Mr. Tubbs thinks he will put in another gang to get orders out on time. He is receiving daily more orders than they are filling shoes.

The shoes will be shipped in October and November and are largely for the wholesalers. Retail orders come in later.

He has over 500 sides of raw hide, and bows on hand sufficient to carry it, maybe three thousand all told. Every shoe that bears his name is fully guaranteed and he expects to sell some four thousand pair before New Year's.

This Kidney Remedy A Great Pealer

For a number of years I was troubled with my kidneys, condition so serious that part of the time I was unable to work. Tried several remedies, also different physicians without relief. A sample of Dr. Kilmer's Swamp-Root was left at my house. I commenced to take it and continued it until I had taken several bottles and am now cured. Am sixty-two years of age and able to work every day. I attribute my cure to the use of your Swamp-Root.
My wife was also cured by Dr. Kilmer's Swamp-Root. Symptoms were very serious, including hemorrhages, great pain and distress. I commenced giving her Swamp-Root and it was just as healing in her case. We can heartily recommend your Swamp-Root to all kidney sufferers.

Very truly yours,
H. C. GRIFFITH,
Mexico, Texas.

SOUTH WATERFORD.

Flag Day.

The public schools closed on June 19, with a celebration of Flag day. It was the eighth-observance of this holiday in Waterford, and was duly honored by an assemblage of the pupils of the district schools and many citizens from every school district to the capacity of the Congregationalist church, at the Flat.

Mr. Morrill, superintendent of schools, in Norway and Waterford, had sole direction of the exercises and to him and the efficiency of the teachers in preparation for the exhibition by weeks of careful supervision of drilling and practice of the pupils, is due the perfection of performance of every piece presented.

A most pleasing surprise to the audience was the presence of a High School orchestra of Norway, of 13 instruments, and their brilliant performance of a very choice list of selections was too charming for adequate description. The program was as follows:—

March Orchestra
Prayer Mr. Sias, Pastor
Reading, Pine Tree State Hymns
"We'll sing the story banner out"
"The Test" South Waterford School
A Spring Song
The Blue Birds
"If I were a soldier in a soldier's grave"

Orchestra, Humoresque
Drill and Song Eight Girls, Flat School
Orchestra, Selections
This order of program was changed in three places by the introduction of three beautiful solos by members of the orchestra, namely: Miss Mealand, director, sang a beautiful song in soprano; Marion Haskell, 1st violin, played a sweet violin solo, and Ruth Cummings played a piano solo of much beauty and with fine execution.

The noon hour witnessed a gay party picnicking on the village lawn with all conveniences of tables and settees, and seats on the grass for those who preferred that style of seating. A generous flag raising and saluting the flag and singing America, led by Mr. Sias.

The program of Athletic exercises was contested in the village street with scores as follows:—

Orin H. Gupitil of Auburn is a visiting guest of his sister and her family, Mrs. L. R. Muller.

Mr. and Mrs. William Kingman celebrated the 27th anniversary of their marriage on June 12th, by the reception of a large company of relatives and friends residing in Waterford and Norway. Mrs. Carrie Kingman, the esteemed hostess, is the daughter of Amos and the late Lavina (Dunn) French of North Norway. Her father, Amos French, is yet living at the age of 86 years, and was the oldest of the visiting guests on the happy anniversary day. Other guests were: Chester G. French, wife and eight of their nine living children; Les and their wife, daughter of Amos French, and children; Mrs. Abby Adams; Clifford Adams; Mrs. E. S. Horr, M. D.; Gladys Horr; Maude G. Wood; Eunice Marston; Mrs. C. O. Kimball; Geneva Kimball; Mr. and Mrs. E. O. French; Gertrude Bartlett; Clyde Bartlett; Harold Merrill; Hance Allen; John R. Kingman; Mr. and Mrs. Arthur Kingman; Mr. and Mrs. Wyman Kimball; Gussie French, 36 guests. A feature of special entertainment was the fine graphophone selections contributed by Horace Allen. A sumptuous picnic dinner furnished the anniversary wedding tables. A generous variety of elegant and valuable gifts were received by Mr. and Mrs. Kingman, as souvenirs of this celebration.

Dr. Asaph Walker of Bridgton with a full auto party of friends, came up Sunday for a pleasant tour over the Waterford hills, returning to Bridgton the same evening.

Ralph Sanderson, son of Frank Sanderson, writes to a friend, dating his letter on board U. S. Battleship Nebraska, Vera Cruz, Mexico. Ralph is a sailor boy, enlisted about a year ago.

Two most important events in the National Campaign for woman's enfranchisement occurred last week, namely: The endorsement of Woman Suffrage by the Federation of Woman's Clubs at the biennial convention in Chicago; and the decision by a majority of the Supreme Court of Illinois that the law to enfranchise the women of Illinois is constitutional. This is victory won over the combined opposition of Anti-suffragists, the liquor interests and all the corrupt influences of the state.

NORTH WATERFORD.

One young man has his wheelbarrow newly painted for the wheelbarrow race and a big rope has been secured for the tug of war. All should bring a lunch as it's a picnic day, however, they furnish the ice water, entertainment and a hearty welcome to all.

Middle Intervale.

Mrs. Susie Bean, with her sister, Mrs. Dr. Simpson, of Boston, called here recently, enroute for Bethel Hill. The old Ned Bean place where Mrs. Bean lives, is one of the loveliest locations along the beautiful Androscoggin river. Lovely views, so restful in every direction.

Frank Russell and family are moving to Hanover.

The black and white dog that came here some time ago, begins to be at home and we could not drive her away to stay as she would come back, no doubt. A dog is a faithful friend. We read about a dog that was taken many miles from home to stay but as soon as possible came back to the old home.

Summer P. Davis of Hanover was with relatives on Swan Hill a few days ago. We were saddened to hear of the sudden death of Will Gill who was taken to the hospital for some treatment and did not live to come back.

G. W. Sias of Waterville.

Geraldine-York, a sister of the bride, acted as maid of honor, and Leon Bisbee as best man.

A delicious wedding breakfast followed the ceremony, and the happy couple left for a few days in Boston.

They were the recipients of many handsome and useful presents.

Thirty-four Years Ago This Week.
A little boy of David Gurney of Pleas-
ant street had his front teeth knocked
out by a kicking horse. No doubt
that was Kerney.

and Wm. Chase, Wm. Burston, Ernest
Trull and Abel Chapman were brought
before Justice C. P. Whitman, Tuesday,
on the charge of indecent exposure of
their person while lathing, and fined one
dollar each and ten days imprisonment.
The boys appealed to Supreme Court.
Dr. and Mrs. O. N. Bradbury were

Doctor is partially paralyzed from injury
received to the spine. He is attended by
Dr. F. H. Tilton, Dr. E. C. Evans, Dr. J.
S. Turner, and later in the day Dr.
Hersey of Oxford. Dr. S. C. Gordon of
Portland was called in consultation,

his ankle joint was badly twisted out of
place and the bone found to be some-
what fractured.

LETTER FROM FORMER NORWAY
BOY TO HIS MOTHER
Tientsin, China.

Don't miss your letter. This is the first
that I am away over here in China. I
am in the Philippines.

We left Fricco on the 5th of March
and arrived in Honolulu seven days later.
We unloaded about one thousand troops
there for service. We stopped in Hono-
lulu two days and then set sail for Manilla
arriving there sixteen days later. We
did not get shore leave there as there
was no dock, so we anchored outside the
bay. I was able to get a good view of
the island however.

We were eight days from Guam to Ma-
nila, and we stopped two days in the
city. I left the boat and went up to see
the city. It is a beautiful place; should
have liked to remain there, but an order
came for all the Hospital Corps to pro-
ceed to China so I had to go along too.

We were eight days from Manilla to
Tientsin by the way of Formosa and
Shanghai. We stopped in Shanghai one
day, just to see the city, and then set
sail for Lo Wan Chow, a seaport on the
coast of China. One of the interesting
sights on the way was Fort Arthur, the
fortress taken from the Russians by the
Japs during the Russian-Japanese war.

Coming up on the train, we passed
through the country which was the scene
of the Boxer uprising in 1900. For a
long distance it seemed to be one con-
tinuous graveyard as they buried them
on the spot where they fell.

This is the oldest country that I have
ever seen. All of the work is done by
hand; no horses, even the carriages are
drawn around by Chinamen. They have
what they call the Rickshaw, a two-
wheeled cart, hauled by a Chin 100
cents an hour and all the teaming is done
by Coolies hitched to wagons.

In this country there are troops of all
nations, here for the purpose of protect-
ing the International Railroad. They
are obliged to remain here all of the
time, as there is liable to be an uprising
at any time.

There were two cities sacked and burn-
ed and the people slaughtered only last
month.

The people here are dirt poor. The
wages are only 20 cents per day. There
are great times here in the winter,
sleighing, skating, etc., as it is zero
weather about months.

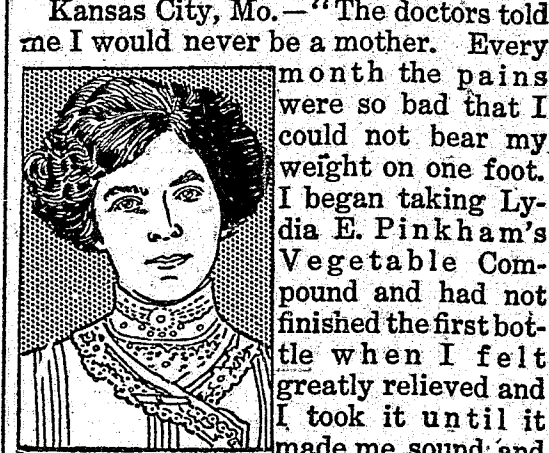

We received a wireless that the U. S.
flag declared war on Mexico. "Is that so?"
Wife me all about it.

VERNON N. GAYTON,
Hospit. Corps, U. S. Compound No. 2,
Tientsin, China.

Few towns with less than 1,000 in-
habitants can show a better Civil war
record than Sumner. She furnished 110
men direct, and 38 men originally from
Sumner, but who at the time of enlist-
ment were absent, mostly in Massachu-
setts enlisted in the service there, thus
making nearly 148 Sumner men in the
Civil war. Twenty-nine soldiers of the
war of the Revolution located in Sum-
ner. The town also furnished 32 men for
the war of 1812. The stars and stripes
today float over the graves of 40 sol-
diers at East Sumner.

MRS. WINN'S ADVICE TO WOMEN

Take Lydia E. Pinkham's Veg-
etable Compound and be
Restored to Health.

Kansas City, Mo. "The doctors told
me I would never be a mother. Every-
thing was wrong on the month the pains
were so bad that I could not bear my
weight on one foot.
I began taking Ly-
dia E. Pinkham's
Vegetable Com-
pound and had not
finished the first bot-
tle when I felt
greatly relieved and
I took it until it
made me sound and
well, and I now have two fine baby
girls. I cannot praise Lydia E. Pink-
ham's Vegetable Compound too highly
for what it has done for me. I always
speak a word in favor of your medicine
to other women who suffer when I have
an opportunity." — Mrs. H. T. WINN,
1225 Freeman Ave., Kansas City, Mo.
Read What Another Woman says:
Cumming, Ga. "I tell some suffering
women every day of Lydia E. Pink-
ham's Vegetable Compound and what it
has done for me. I could not eat or
sleep, had a bad stomach and was in
misery all the time. I could not do my
housework or walk any distance without
suffering great pain. I tried doctors'
medicines and different patent medi-
cines but failed to get relief. My hus-
band brought home your Vegetable Com-
pound and in two weeks I could eat any-
thing, could sleep like a healthy baby,
and walk a long distance without feeling
tired. I can highly recommend your
Vegetable Compound to women who
suffer as I did, and you are at liberty to
use this letter." — Mrs. CHARLIE BAG-
LEY, R. 3, Cumming, Ga.

NORTH LOVELL.

At noon a delicious dinner was served
and the afternoon was given up to very
competent lecturers, that gave the mem-
bers an interesting and varied program,
consisting of music both vocal and in-
strumental, readings and a spirited dis-
cussion of the questions on the program.

Peru for E. C. Staples.

Milo Morrill and daughter, Mrs. Lu-
cille Lovjoy, attended the funeral of
Mrs. Daniel Fletcher, Friday.

Is Lost by Fire.

Experts of the forest service state
that the soils of the whole country, have
lost and are losing immensely the source
of the soil, fertility, through
forest fires which apparently no little
immediate damage but rob the soil of
accumulations of humus.

Where land is being cleared for farm-
ing and where such forest land has been
burned, there is a large percentage
of vegetable matter, which provides con-
siderable fertility, and a good texture
Moreover, this soil has a greater capacity
to absorb and retain moisture, and
this is less likely to be washed and pul-
verized under heavy rains. For these rea-
sons, leaving out of account the damage
to standing timber, the agricultural
department's authorities are agreed
that fire should be rigidly kept out of
woodlands.

Forewarned—Forearmed.

Two Irishmen on their way home from
a funeral were conversing about the un-
certainties of life. Says Pat: "Shure
and I'd give a thousand dollars, Mike, if
I knew the place where I was going to
die."

"Faith, Pat, and what good would
that do you?"
"Begorra, I'd never go near the place
at all, at all," says Pat.

Union Association.

Union Association of Congregational churches and ministers, the historic Union Conference, met June the tenth and eleventh at the eastern limit of its domain with the Otisfield church which is situated at Spurr's Corner. This church which is one of the smallest in the Association is doing good work and was most cordial in its hospitality. The pastor, Rev. W. W. Laite, has been in the field only a few months and preaches both at Otisfield and Bolster's Mills.

After address of welcome by the local pastor and response by the moderator, the Association organized for business. Edward L. L. of Bridgton was elected moderator and the scribe, Rev. G. W. Sias, of Watford was continued in office.

The first thing of note in the afternoon was the able paper presented by Rev. Charles N. Davis of North Bridgton on what Congregationalism has stood for in general and in the past, and especially what it ought to stand for in this Association at the present time. He laid particular emphasis on the fact that in many of the communities of our constituency the Congregational denomination is the only one to conduct any religious work.

As a result of the animated discussion that followed a committee was appointed to make a thorough investigation of needs, methods and resources, and to see what may be done in regard to some definite work in the line of church extension and neighborhood services in the outlying districts of the Association's territory. The committee consists of Rev. Messrs. Carruthers of Fryeburg, Davis of North Bridgton, Graham of South Bridgton, and two laymen, W. W. Hamlin of Otisfield and E. L. Lewis of Bridgton.

The Association was disappointed that Elizabeth Perkins of China was unable to be present as anticipated. The Woman's hour was taken up by reports of the woman's work in the various churches and as a whole these showed considerable advance in the last two or three years.

Mrs. John Graham of South Bridgton, one of whose daughters is fitting for the work in the foreign field, gave a most interesting talk about her experiences in home mission lines, and offered some practical suggestions as to what may be accomplished by small societies. Eudora Wadsworth Gould of North Bridgton is our Association director for the Woman's Home Missionary Union of Maine.

Secretary Charles Harbutt at the opening of the evening session presented the dignified and businesslike appeal of the State Society for the raising of a special permanent fund to be used to supply the needs in the lean years when work suffers because of marked decline in legacies.

Contrary to usual custom no outside speaker was invited for the evening, but the gathering listened to an earnest sermon by Rev. Mr. Carruthers from the text, "And thou mayest add thereto." He brought out the thought that too many persons are like sponges absorbing all and giving out nothing. To each one belonged the duty and power of adding something to the efficiency and standing of the church.

A fine musical program was given by the choir of the Otisfield church. Rev. and Mrs. John Graham also rendered a beautiful duet.

Thursday forenoon the reports from the various churches occasioned considerable discussion as to ways of meeting various problems. The Moderator, pastor, Rev. S. T. Livingston, of the advisory committee, gave an encouraging report on benevolence. He showed that several churches, some of them among the smallest in the Association, last year raised the entire amount which had been apportioned them for the regular benevolent and missionary work of the denomination. Besides this many independent causes at home and abroad are aided. The whole apportionment for this Association is one thousand dollars and we hope before long to reach that goal.

Rev. L. H. McDonald of Denmark and Brownfield read a scholarly paper on the Psychology of the Adolescent Period. His appeal was for a better understanding of needs and for more care to stop the waste of young life between the Sunday school and the church.

Resolutions were passed of sympathy for State enforcement and of approval of the movement toward national prohibition. A special resolution expressed the deep loss the Association had met with in the death of Mrs. George B. Barrows of Fryeburg, who for more than fifty years had been constant in her attendance at these gatherings and zealous in her interest in the cause of the church.

C. N. Eliopoulos of North Watford was licensed to preach for the next two years. Rev. Messrs. Graham and McDonald were voted into Association membership on presentation of credentials satisfactory to the ecclesiastical committee. The members of this committee are Rev. Messrs. Davis and Carruthers, and M. Hamlin of Watford.

Other officers elected were W. L. Grover of Harrison to serve on executive committee with scribe and moderator, and pastor and one member of entertaining church. The new advisory committee comprises Cyrus K. Chapman of Lovell, J. Arthur Chadbourne and Miss E. W. Gould of North Bridgton. This committee has charge of the apportionment of benevolence and the many questions that arise in regard to the plan.

All business was disposed of before the Conference met Thursday afternoon for sermon and communion. Rev. John Graham taking his subject, "The family of God," from the text in Romans 8: 16-17. He said in part that to enter this family we must be born again and should develop in family likeness. We must show interest in our Father's business and may expect communication with Him by the Word and by prayer. One by one the children are being gathered home and may look forward to a grand family reunion in the life to come.

The observance of the Lord's Supper closed what is considered a most helpful and practical meeting. The Association is composed of the following churches: Albany, Bridgton, North Bridgton, South Bridgton, Brownfield, Denmark, Fryeburg, Harrison, Hillman, Lovell, Otisfield, Sebago, Stoneham, Stowe and Chatham, Watford, North Watford. Most of these were represented by pastors and delegates and still others sent reports. The Association adjourned to meet the last Wednesday and Thursday of October with the church in Stoneham.
